Subject: Docket Number 2011-47-WS Complaint

Public Service Commission of South Carolina
101 Executive Center Dr., Suite 100
Columbia, SC 29210

I am writing in regards to the proposed rate increase by Carolina Water Service under Docket Number 2011-47-WS, which I oppose. Carolina Water Service has considerably higher rates for sewer and water than other companies in South Carolina. The requested 80% increase is absolutely ridiculous. They should be lowering their rates. If it were possible to get water and sewer from another company such as the City of Lexington, then I would switch immediately.
